JAY SLAUGHTER ZIG-ZAGS TO VICTORY

Jay Slaughter zig-zagged to a win in the Hobby Stock figure 8 race, companion event to the Bobby Allison night at Saugus Speedway.

Rick Crow jumped into the lead from his inside second row starting spot and opened up a lead as cars banged together battling for the runner-up position. Slaughter emerged from this hit and run battle to move into second and although his car was bent and badly smoking, he set out after the high-flying crow.

Crow, in a charitable mood, spun on lap five, giving the lead to Slaughter but despite the loop Crow held on to second and gave chase. Slaughter was able to hold off Crow and bring his damaged car home for the victory. Ray Duff was third ahead of Joe Barreras Jr. and point leader Larry Krieger.
